MPs told to put masks on amid COVID surge

MPs are being told to wear face masks and tours of Parliament are being cancelled amid rising COVID cases on the parliamentary estate.

Committee chairs will also be asked to take a stronger role in ensuring MPs comply with coronavirus rules. The measures will be reviewed in two weeks' time.

Last week, face coverings became mandatory for staff employed by the House of Commons, unless they have a legitimate exemption.

But it was left up to individual MPs to decide whether to cover their faces or not.

MPs are not employed by the Commons authorities and cannot be forced to wear masks, but they have been encouraged to do so by the Commons Speaker Sir Lindsay Hoyle (above) and unions representing parliamentary workers.

Pump prices at record high

PETROL prices have soared by more than 30p per litre in 12 months.

Government figures show the average price of a litre of fuel at UK forecourts was a record high 143.70p on Monday.

That compares with 113.11p per litre on November 2 last year.

It beats the previous high of 142.17p set in April 2012.

The increase means it has become around £17 more expensive to fill up a 55-litre family car.

The average price of a litre of diesel was 147.48p on Monday, up more than 29p compared with a year ago.

PRESIDENT MEG!

Duchess will run for White House, says brother

DON'T SPEAK: Markle Jnr and Meghan (right)

THE estranged half-brother of Meghan, Duchess of Sussex, wouldn't be surprised if she ran for President of the United States.

The American former actress, 40, who became a member of the British Royal Family when she married Prince Harry in 2018, has made no secret of her progressive politics since her move to California last year.

Thomas Markle Jr, who has the same father as Meghan but hasn't spoken to her in a decade, told Australia's *New Idea* magazine his ambitious sister could certainly make a move for the White House. "She obviously has that

personality and that determination and drive... it wouldn't surprise me [if she ran for president]," he said.

Markle Jr, a 55-year-old window fitter from Oregon, added that Meghan always went after her dreams when she was growing up.

Royal biographer Tom Bower said in March that Markle was 'likely' to launch a US presidential campaign but would 'struggle' with the barrage of criticism levelled at politicians because she is 'sensitive'.

Mr Bower said she would need to learn to 'take the heat' if she entered politics, because they are the public figures who cop the

most backlash from the press.

Speaking to *Closer* magazine, he added that Meghan would need to be a 'team player' and build up an army of loyal staff - something she appears to have experienced issues with during her life as a royal.

Welsh leader: I've had 'very good' brekkie

THE First Minister of Wales enjoyed his breakfast yesterday, according to reports.

Mark Drakeford and leaders of the UK's other devolved nations joined Prime Minister Boris Johnson at a breakfast summit with world leaders at some bash in Glasgow.

Mr Drakeford (above) said: "I thought the breakfast was a very good event, it did what we hoped it would do, it brought all the leaders of the four nations of the United Kingdom together on a single stage, gave us all an opportunity to re-emphasise the fact that, while we discharge our own responsibilities, we understand that unless you link those with the responsibilities other people have, you'll never have the impact you want to have."

"We were able to do that in front of about 40 leaders from other parts of the world, so we can make that global connection as well."

It's not known what Mr Drakeford had for breakfast, though he is known to like porridge and toast.

Vicar, 79, seized at IB road demo

A 79-YEAR-OLD vicar was among Insulate Britain protesters arrested as they launched fresh demonstrations near London, Birmingham and Manchester.

The group said that around 60 demonstrators descended on junction 23 of the M25 near London, junction 6 of the M56 in Manchester and the A4400 in Birmingham on Tuesday morning.

At the M25, six protesters sat on the pavement with a banner and some glued themselves to the ground.

A group of officers have been lifting activists from the pavement and putting them in the back of a van.

Reverend Sue Parfitt, 79, a retired family therapist from Bristol, was among those detained.

WE ACCEPT FRANCE'S SURRENDER

FISH STINGER: George Eustice

(You're not the first one to say that, Minister!)

BRITAIN has welcomed France having "stepped back" from threats of punitive action in the dispute over post-Brexit fishing licences.

Environment Secretary George Eustice recognised the humiliating surrender from French president Emmanuel Macron as he held off on action against British boats that he had warned could have been implemented on Tuesday.

But the Cabinet member said a meeting between Brexit minister Lord Frost and France's Europe minister Clement Beaune in Paris on

By COLIN HURST
news@sundaysport.co.uk

Thursday would be "very important" as further talks with the EU are scheduled.

In another retreat by Paris, Mr Eustice suggested that a British vessel impounded during the diplomatic storm because of an "administrative confusion" has now been released by France.

Mr Macron had warned that Paris could block British boats from landing their catches in French ports and tighten customs checks in protest at what they claim is a refusal by the UK authorities to grant licences to French boats.

But France suspended the

threats at the eleventh hour as negotiations continue.

Mr Eustice told Sky News: "We welcome the fact France has stepped back from the threats it was making last Wednesday."

"We've always said we want to de-escalate this and always said we have an ever open door to discuss any further evidence France or the EU might have on any additional vessels they would like to have licensed."

"France has clearly taken a decision not to implement some of the decisions they threatened last Wednesday,

we very much welcome that, but I think there's going to be a very important meeting on Thursday between Lord Frost and his opposite number, not just on fisheries but a wider range of issues as well."

The Scottish-registered scallop dredger, the *Cornelis Gert Jan*, caught up in the diplomatic row was believed to have been released.

Mr Eustice said the captain, understood to be an Irish national who had a court hearing set for next August, must still return in the future amid "further discussions".

OFFICERS ADMIT SHARING PICTURES OF DEAD SISTERS

TWO Metropolitan Police officers have pleaded guilty to sharing photos of the bodies of two murdered sisters on WhatsApp.

Pc Deniz Jaffer (top left) and Pc Jamie Lewis (below left) were assigned to protect the scene after sisters Bibaa Henry, 46, and Nicole Smallman, 27, were found dead in bushes in Fryent Country Park in Wembley, north-west London.

Instead, the two cops breached the cordon to

take "inappropriate" and "unauthorised" photographs of the bodies, which were then shared on WhatsApp.

Jaffer took four photographs and Lewis took two. One of the images sent to a female colleague had Lewis's face superimposed onto it.

At a hearing at the Old Bailey, the officers admitted committing misconduct in a public

office between June 7 and June 23 last year.

Jaffer, 47, of Hornchurch, east London, and Lewis, 33, from Colchester, Essex, had been arrested as part of a criminal investigation by the Independent Office for Police Conduct (IOPC) watchdog.

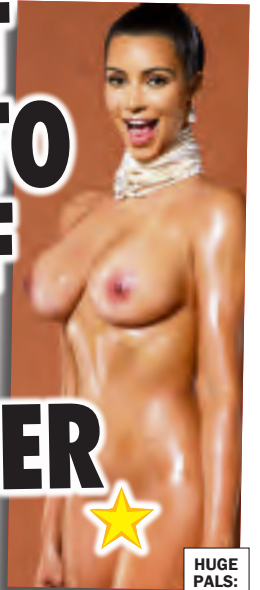

The pair were both suspended from duty.

Judge Mark Lucraft QC granted the defendants conditional bail as he adjourned sentencing for reports until December.

Trolls react to Pete and Kim dating rumours

moppy, London, United Kingdom, 8

I'm sure people just date him to see if it fits inside them!

Vanessa, Texas, United States, 18 hours ago

I hear his package is HUGE maybe that's it lol

KIM Kardashian's friends have shut down speculation she is dating Pete Davidson after they were pictured holding hands on a fairground ride.

Reality star Kim, 41, who filed for divorce from rapper hubby Kanye West in February, was joined by comic Pete, 27, and her newly-engaged sister Kourtney and Travis Barker for the outing.

Despite their cosy display, a source said: "They hang in the same circles so they will be together from time to time. It's just friends hanging out."

Romantic

The insiders also pointed out the pair had no romantic interest in each other and that they had been acquainted for years prior to the visit.

But the denial has cut little ice, as funnyman Pete is known to be a serial shagger.

And what's more, when speculation about the pair was reported in the hate-filled *Daily Mail* its readers decided

curvy Kim was only after one thing...

Pete's **HUGE COCK!**
One troll leered: "I'm sure people just date him to see if it fits inside them."

By that, Mr Moppy from London, suggested Kim wanted to see if Pete could insert his monstrous member into her moist vagina, inch by throbbing veiny inch.

And another reader pointed out that Pete's former squeeze, pop star Ariana Grande, had revealed the comedian was "extra large" in the Johnson department.

Arianna admitted Pete was extra large. Travis' ex admitted he was well endowed. So leave the blessed women alone, no shame in their game.

2-inch heels are orgasm boosters

NEVER mind whether or not size matters in the bedroom... women's shoes may help them orgasm, boffins have found.

Experts in China now say it's the size of a woman's heels that counts, as wearing shoes that have at least a two-inch heel is said to stimulate the muscle that also helps a woman orgasm.

Boffins at Shanghai's Fudan University discovered the connection by chance after they conducted a study into the impact different shoe heights had on women's pelvic floor muscles.

Woman paid £30k to have curse lifted

A MAN who claimed to be fortune-teller duped a woman into giving him more than £30k to rid her body of parasites and cure her family of a curse.

Andres Pena Meneses, 31 (above), was nicked on charges of grand theft and theft by false pretences after the swindled female went to the police to catch the clairvoyant.

Detectives managed to track Meneses down and discovered he had a prior arrest and conviction in Chicago for a similar scheme in 2019. Police said he had portrayed himself as a "faith healer" and bilked victims of their hard-earned cash.

Cops recovered a "significant" amount of cash during a search of Meneses's home and business in Riverside, California, where he also had a voodoo doll, tarot cards, religious and satanic objects.

He was released from custody after posting bail, police said.

'Chicken sex vid man' faces trial

A MAN will stand trial over claims he had footage showing someone having sex with a CHICKEN.

Mark Powell, 43, of Hartlepool, is accused of possessing an extreme pornographic video which prosecutors claim shows "in an explicit and realistic way, a person performing an act of intercourse" with what appeared to be the farmyard animal.

At a hearing on Monday, he denied a sole charge against him.

I DON'T REGRET MAKING FIFTY SHADES

(...and why would you, Jamie?)

ACTOR Jamie Dornan says he has no regrets about his X-rated role in the *Fifty Shades* movies.

And why would he, when he got to romp naked with tasty Dakota Johnson!

The 39-year-old famously starred in the much-beloved erotic drama franchise and he has absolutely "no shame" in being a part of the trilogy.

Dornan portrayed BDSM fan Christian Grey opposite Dakota in the three films, released in 2015, 2017 and 2018.

Recalling his time during filming the series he said: "It's done no harm to my career to be part of a movie franchise that has made more than \$1 billion.

"Every working actor would say the same thing. It's provided a lot.

"There's no shame in saying it's transformed my life and

my family's life financially. I am very, very grateful for this and always will be."

He added: "And the fans loved it. Kevin Maher, the film critic at *The Times*, didn't love it... what a surprise!

Joke

"But I take issue with the whole thing being just a bit of a joke. Everyone involved worked as hard as they could on those films, including myself."

After starring in the trilogy, Jamie admitted that he felt a tremendous amount of pressure to prove his acting abilities.

He added: "Whether *A Private War*, *Anthropoid* or *Belfast*, or whatever comes next, the line in the press is always, 'It's the best thing

he's done since *Fifty Shades*.

"As if I am still needing to prove myself. I am still paying penance for that choice to get me back to where I was beforehand."

"Look, I get it, and to be honest with you, it spurs me on. It lights a fire in me. If that means people saying, 'Oh, actually he's not that bad', well, so be it."

Discussing his previous life as a male model the star said: "I didn't love it. And I still don't like having my photo taken. I find it odd."

"It's not fun to be told continually to move your head about like it is on a swivel. 'Chin up. Chin down...'"

"Too much nonsense," he said of the fashion industry.

"Whenever I went on a date or met a girl in a pub I'd say I was a landscape gardener or worked for Google... anything but admit to having my photo taken for a living."

ARSE FATHER, WHO ART IN HEAVEN...

Model faces jail for baring bum outside church

AN Instagrammer has been placed under house arrest after making an abject apology in court over a racy video and pictures which are seen as offensive to religious believers.

Influencer Ira Volkova, 30 (left), was held in St Petersburg, Russia, for exposing her rear outside floodlit St Isaac's Orthodox Cathedral.

The video sequence was taken in the summer but recently came to the attention of the Russian authorities, and despite

the house arrest decision pending the investigation, she can still face up to a year in prison.

A criminal case was opened in which she was accused of "humiliating and insulting the religious feelings of believers".

Handcuffs

Volkova was initially detained and was brought before a judge in handcuffs

from a detention centre.

A video shows her in a courtroom telling the judge in St Petersburg, Vladimir Putin's home city, that she had gone "too far".

She said: "I apologise for these images and for offending the feelings of people of faith."

"I went too far as an Instagrammer."

"Taking pictures without a thought...

"Everything will be deleted and I will not do this again."

She was permitted home arrest to care for her school age son, but is expected to face a full trial later which could lead to a jail sentence.

Volkova had appeared voluntarily at the office of the Russian Investigative Committee and was detained.

It's Comer and out for Killing Eve

JODIE Comer wants *Killing Eve* to end on a "good note" after the next series rather than continuing until it is "kicked out the door".

The BBC spy thriller, starring Comer as Russian assassin Villanelle and Sandra Oh as now-former MI5 agent Eve Polastri, is approaching its fourth and final series.

The Scouse actress admits she's sad that the worldwide hit show is coming to an end.

She said: "I'm trying not to think about it too much, honestly."

"It's sad, you know? I've been with this character for a really, really long time."

"I would rather we ended on a good note and kept our integrity, instead of going on and on, and being kicked out the door."

Comer says there are "so many layers to Villanelle".

And she admits they wouldn't get on, Comer said: "Villanelle's style is loud and mismatched. She dresses for herself, which I adore."

"Villanelle would probably hate me!"

Car insurance down £40 as claims tumble

CAR insurance costs have fallen by nearly £40 so far this year.

Motorists paid £429 for a comprehensive policy in the third quarter of this year, the Association of British Insurers said.

Drivers are continuing to benefit from fewer claims during lockdowns, keeping prices at their lowest level in more than five years.

And new rules from January mean renewing drivers must get the same deals as new customers.

That will save motorists £4.2 billion over the next decade.

The ABI's Laura Hughes said: "Motorists continue to see the benefits of fewer claims made during the pandemic lockdowns."

"The market will remain competitive next year, so it will still pay motorists to shop around for the best deal for their needs."

LORRAINE'S MORNING GLORY!

ARMY BOSSES EYE ROCKET SUITS FOR SQUADDIES

It's the REAL Iron Man!

THE Army could soon be using jet suits as a fighting tool.

Richard Browning, founder and chief test pilot of Gravity Industries, known as Jet Man, put on a display for the Army People Conference at Farnborough International Airport.

Showcasing the human jet suit to a crowd of Army personnel, he took off and landed on a jeep and a truck before flying on to a balcony in the middle of the onlookers.

The jet suit can fly at more than 80mph and an altitude of 12,000ft. It is a real-life version of the one worn by Tony Stark, the billionaire superhero played by Robert Downey Jr in Marvel movies.

An Army spokesman said the display showed potential capability for the future of the armed forces.

The spokesman said: "It was a remarkable display flight by Richard Browning wearing a gravity-defying jet suit."

Earlier this year, Royal Marines tested it for marine boarding ops.

It was used to help the Navy "understand whether the jet suit could be of use on military operations in the future".

CHEEKY presenter Lorraine Kelly made a stark reference to sturdy BONERS on breakfast telly!

The twinkly-eyed Scottish host made the remark after a *Good Morning Britain* chat about whether it was OK to hug people again now that COVID-19 figures are dropping.

Telly doctor Hilary Jones said it was not, as hugging means being close to someone who may be carrying the deadly virus.

Guest Ellen Scott had told presenters Richard Madeley and Susanna Reid that she was glad hugging was banned as it's always such an awkward thing to do.

Stiff

TV legend Rustie Lee says she loves hugging and kissing people, as long as they were close friends and vaccinated.

Then the programme switched to Lorraine's studio after Susanna, 50, greeted her with "a virtual mwah mwah".

Giggling Lorraine, 61, said: "I'm Scottish. We go all stiff, and not in a good way, when anyone tries to hug us."

Then, as Susanna, Richard and Hilary

By GARY DORAN

laughed in their own studio, Lorraine then switched to announcing what was coming up on her own show.

Earlier, Ellen had told how she hated having to hug people and said the best thing about the coronavirus was that it had put a stop to it.

But Susanna said she had attended the ITV Pride of Britain awards earlier this week where all the celebs wanted to kiss and hug.

Richard also caused a stir when he suggested to Dr Hilary that MOUTH WASH can help protect people from catching the virus.

The bemused doc said it still wouldn't make much difference to the air that comes out of our noses.

NIGHTCLUB 'SPIKINGS': TWO ARRESTS

TWO men have been arrested on suspicion of injecting a nightclubber and drink spiking.

The arrests in Sussex follow reports of women being spiked by needle at nightclubs.

That's sparked a boycott of venues around the country.

A 28-year-old man from Hove was nicked by cops on suspicion of administering poison with intent to injure.

A 19-year-old man from Brighton was arrested on suspicion of the same offence.

Bailed

Both men have been bailed while inquiries continue, according to Sussex Police.

The spokesman said: "Police have received a number of recent reports of people becoming unwell during or after nights out, with some finding

puncture marks on their body or believing that their drink had been tampered with."

"We have increased patrols as part of work policing the night-time economy and have been working closely with partners and licensed premises on initiatives to help keep people safe."

Chief Superintendent Justin Burtenshaw, divisional commander for Brighton and Hove, said: "We continue to work around the clock to investigate these troubling reports and will do everything in our power to catch the perpetrators and bring them to justice."

"We ask anybody who believes they may be a victim to let police know as soon as possible so they can be tested before drugs leave their system and evidence can be gathered."

Sex abuse miss back in class

A HOT teacher serving 20 years for having sex with a 13-year-old has been putting her skills to good use behind bars.

Brittany Zamora, 30, was banged up after being caught shagging the teenage student several times in her car and classroom.

She pleaded guilty to sexual conduct with a minor and molestation of a child and public sexual indecency. She was locked up in 2019.

The depraved former primary school teacher has been giving classes in her Arizona prison.

But the lag has been kept under close watch as she teaches her fellow inmates.

She isn't allowed any one-on-one contact with her new students.

It's strictly group action only for Zamora and all her lessons are captured on CCTV.

A prison spokesman said: "Inmate Zamora assisted the education staff in teaching the inmate students, in a group setting."

"She was directly supervised at all times by instructors."

RISHI Sunak did his best Santa impression in last week's budget, handing out pay rises like toys.

Millions of workers are in line for a pay hike as the Chancellor announced the UK's economy is "firmly back on track" after COVID.

Mr Sunak confirmed he will scrap the year-long public sector pay freeze in his fiscal statement, with increases in the UK's National Living Wage and Minimum Wage.

And across the board, wages are going up as employers are forced to increase pay to tempt workers.

But who gets paid the most, and the least, in Britain?

New figures from the Office of National Statistics have given us a clue.

Business bosses, lawyers and marketing and sales directors are the highest-paying jobs of 2021, according to their data.

The UK's biggest full-time earners are chief executives, who are paid an average of £130,734 a year, which has risen by 7.6% compared to 2020.

Legal professionals were next on the list, earning an average of £92,606, which is unchanged from last year.

Beauticians were the least well paid profession, earning £15,543 a year on average, which is a drop of 18.4%.

Teacher of Year denies child abuse

A SCHOOL miss who was named Teacher of the Year was busted for child abuse just a few days later, after twatting a student.

Caroline Melanie Lee, 60 (above), told the pupil to come to her office after she read a comment on Instagram that challenged her new award, accusing her of using the N-word in classes.

The unnamed pupil was too terrified to go to Lee's office, she told investigators.

But Lee stormed into her classroom at the school in Jacksonville, Florida, and demanded she leave with her, with surveillance video showing the teacher "walking ahead, at an aggressive pace".

Once alone in Lee's classroom, the teacher shut the door and then "reached across the table and struck her on her face with the heel of her palm," the girl told cops.

"Lee landed several more strikes on the top of her head" and also "kicked her on her lower leg," she added.

Lee denies hitting the girl and "could not explain the bloody nose".

Teens held over school dance death threats

TWO teenage girls were taken into custody after threatening to kill fellow students at a school dance, after their list of the pupils they planned to target was circulated on social media.

Officials at LaVille High School in Lakeville, Indiana, were first made aware of the list on Friday and contacted the Indiana State Police, which launched an investigation.

The two girls, both aged 13, were held for intimidation and conspiracy to commit murder. Both were taken to a juvenile detention centre.

The Union-North United School Corporation said that despite the threat, the school decided to still go ahead with its junior high dance after it was deemed safe by officials and they didn't want to penalise other students.

news@sundaysport.co.uk**A PERV has admitted having sex with a dog and possessing dozens of images of bestiality.**

John Goodier, of Northwich, Cheshire, appeared at Chester Magistrates' Court, where he pleaded guilty to a raft of charges.

In total, the 60-year-old, who now goes by the name of Claire, admitted to five charges, including one for the possession of seven half-gram bags of cocaine.

The most serious of the charges related to one where Goodier allowed himself to be penetrated by a dog at an unspecified place in Bournemouth in December 2018.

He also admitted being in possession of 31 extreme pornographic

images of a German Shepherd dog having sex with a person, which were grossly offensive, disgusting or otherwise of an obscene character.

As well as admitting being in possession of other offensive images, Goodier also failed to comply with the notification requirements of the Sex Offenders' Register.

He pleaded guilty to a charge of failing to conduct his annual notification on November 5 last year.

Goodier has been released on conditional bail and will be sentenced at Chester Crown Court later this month.

MAN HAD W*NK AFTER ROBBERY SPREE**A NUTTER finished a robbery spree by pulling down his trousers and furiously masturbating.**

Nick George, 50, has been charged with one count of robbery, one count of public indecency, one count of aggravated assault/use of a deadly weapon, one count of battery and one count of theft after his criminal spree.

George was identified by cops as the man who allegedly masturbated in public in West Scott, Chicago.

He was also identified as the person who struck a 42-year-old man in the hand and swung a Stanley knife after stealing items from a business, as well as forcibly removing belongings from a 28-year-old man's hand.

**Dad killed teen for
SELLING daughter****A FURIOUS dad killed a teenager he believed sold his underage daughter into a sex trafficking ring.**

John Eisenman, 60, discovered that his daughter's boyfriend had sold her for £730.

Police said Eisenman retrieved his daughter from Seattle, Washington state, and learned the whereabouts of the boyfriend, identified as 19-year-old Aaron Sorenson.

Eisenman admitted to murdering Sorenson, whose body was found in the boot of an abandoned car.

Court documents state that Eisenman threw a breeze block at Sorenson's head and stabbed him multiple times in the stomach, killing him.

**MAN STUFFED DEAD GIRL
INTO PLASTIC CONTAINER****A MAN told cops he kept the decomposing body of his teenage girlfriend in a plastic container "because he wanted to remain close to her".**

Daniel Blas Torrealba, 21, and his brother were busted after police in Phoenix, Arizona, found the remains of his live-in girlfriend Destiny Munoz, 17, wrapped in plastic and tape in the container.

The brothers allegedly stuffed Munoz into the container, which reeked with "a strong odour of decomposing matter."

Torrealba (below) and his brother, Edwin Chavez-Blas, 19, are now accused of covering up Munoz's death with a plan to cut her into pieces with a chainsaw and bury her.

Munoz was killed by a gunshot, but Torrealba claimed she shot herself during an argument.

After Munoz was dead, Torrealba texted her family using her phone so they "would not worry about her", court records stated.

Car chase social media influencer: I can do what I want

A SOCIAL media influencer told cops he "can do whatever he wants" after allegedly leading them on a high-speed chase.

Damaury Mikula, 18, is accused of running a red light in his Dodge Challenger in sight of a patrol car stopped at the same junction in Odessa, Florida.

Mikula (above) then allegedly sped away, hitting speeds of more than 100mph.

The patrol car officer followed Mikula home and arrested him in his driveway.

He said that he is "young, makes a lot of money and has a fast car and he can do whatever he wants", Trooper W. Kelly said. "Mr. Mikula advised he wanted to do something fun for three seconds and it cost him," Kelly said.

Mikula claimed he makes up to £330,000 annually posting content on TikTok, Instagram and YouTube.

AS THE MEAT-DODGERS CELEBRATE IN NOVEMBER...

VEGANS NOT SEXY? YOU MUST BE NUTS!

MIDWEEK Sport 5-PAGE SPECIAL**NATALIE PORTMAN, AMERICAN ACTRESS****MILEY CYRUS, AMERICAN SINGER & ACTRESS****NATHALIE EMMANUEL, STAR OF GAME OF THRONES****IT'S the old joke...**

How do you know if someone is a vegan?

They'll have already told you!

The fanatical march of the nut-munchers and carrot juice slurpers goes on apace as millions shun perfectly good steaks and tasty bacon just so they can prove how righteous they are.

Juicy

And it's true.

So many vegans are just tiresome bores who bang on about how meat farming is cruel, is killing the world, etc, etc.

But a lot of them have a

silent sadness in their eyes, which gives away how miserable they are and how they would give their left arm for a juicy burger.

That's when they are not glueing themselves to the M25.

But not all vegans are pallid bores.

Some are quite nice.

And to celebrate the start of World Vegan Month, here are some of the sexiest vegans on the planet.

We'd like to give them all a bit of meat...

HE was the top detective who caught an evil killer... and then lost his job because of it.

Steve Fulcher was the man who nailed murderer Christopher Halliwell.

And he remains convinced he could have found many more victims if senior colleagues had given him the chance.

Halliwell is a father of three children with his ex-wife Lisa.

But the "respectable" family man had a dark side and regularly used prostitutes.

Hookers who were picked up by him said he got "rough and weird" with them and some got so frightened they called for help.

Police say Halliwell had a brutal childhood and has "issues" with women.

Detectives fear he may have killed as many as 27 more victims after he boasted he wanted to be a serial killer, like his "idol" Myra Hindley.

He has been linked to a string of women who went missing in his home town.

And the cop who nailed him has also linked Halliwell to the disappearance of Claudia Lawrence in York, where his father lived close by back in 2009.

After he was arrested for killing Sian O'Callaghan, Halliwell offered detectives "another one" and led them to where he had buried her headless corpse eight years earlier.

He told officers he was a "sick f**ker" and asked: "Is it too late to get help?"

He then added: "I know you aren't a psychologist but what the f**k's wrong? Normal people don't go round killing."

HE CAUGHT KILLER... BUT IT COST HIM HIS JOB

IT'S 10 years since Sian O'Callaghan went missing while she was walking home from a nightclub.

The popular office worker had been partying in Swindon, Wilts, before she set off on the relatively short 800m journey home.

But the 22-year-old never made it.

Her body was found five days

By **KOURTNEY KENNEDY**

news@sundaysport.co.uk

later near Uffington, Oxon, and her disappearance set in motion a series of events which led to the resignation of investigating officer Steve Fulcher.

The ex-detective superintendent was handed the 2011 case and clues led him to Christopher Halliwell, now 57.

The taxi driver was convicted of Sian's murder in 2012 and handed life in prison.

But during his arrest, Halliwell also told Fulcher about another killing he had carried out, and offered to show him the body.

His admission took police to the remains of Becky Godden, 20, who had disappeared from the same town back in 2003.

Halliwell was sent down for her murder in 2016, where a judge described the killer as "both calculating and devious".

Between the confession and conviction, Fulcher quit the police, after the High Court ruled his actions during the arrest were "wrong".

It was decided the detective had broken guidelines by failing to caution Halliwell during his revelations.

Pleaded

Fulcher had driven the killer to a beauty spot and pleaded with him to finally give up Ms O'Callaghan's location.

He invoked "emergency powers", usually used when there is a threat to life, like a terrorist attack, when he asked Halliwell to help.

But it was ruled he should have cautioned the then-suspect under PACE rules, which he knowingly failed to do.

Fulcher later said the situation was on a "knife-edge", fearing that Halliwell might change his mind about showing them where the

body was located.

Fulcher, now 54, was later found guilty of gross misconduct by a disciplinary panel and was handed a final written warning.

He decided to leave Wiltshire Police in 2014 and remains "bitter" a decade after the events.

He said: "What should have been a triumph became a disaster."

"It was an extremely painful period of time for a good three-plus years."

"The tragedy for me is that quite clearly there are other victims."

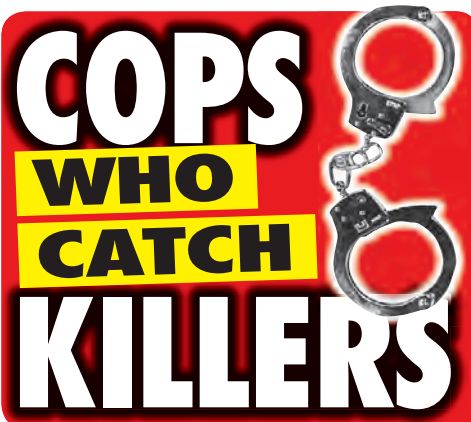

"As I have said time and time again, he abducted from a public place Sian O'Callaghan and murdered her within moments of her getting in his car."

"He'd killed Becky Godden eight years earlier."

"Everything about his MO, everything about the calls he received and made from prison, the notion that 'police are investigating me for eight murders', his own words."

"His trophy store at Ramsbury with 60 items of women's clothing, everything about his history and behaviour indicates that we haven't, and probably never will, get to the bottom of his full offending."

"And that in turn means there are any

number of mothers and fathers who will never find their daughter again.

"I'm left with a very bad taste in my mouth."

Drama

Fulcher's arrest of Halliwell was made into the ITV drama *The Confession* in 2019 starring *The Hobbit* actor Martin Freeman as Fulcher, and has been the source of much debate.

He has received support from some of the victim's

relatives, with the mother of Ms Godden campaigning to David Cameron, who was the Prime Minister at the time.

But Fulcher still feels wronged by senior officers and believes he may have been able to prise information about more victims from Halliwell if he'd been given the chance.

Earlier this year he said: "I'm still bitter and angry, nothing's changed."

"If your daughter went missing tomorrow, I

would not be confident that the police would do the right thing in preserving your daughter's life.

"We don't know how many victims there are, but we should have done."

"If I hadn't been so brutally abused by that

set of circumstances there was a fighting chance Halliwell and I would have got to the bottom of all this.

"But, obviously, that moment is a very long time in the past."

Asked if he regrets his actions, he said: "If I've saved a victim

as a consequence of sacrificing my career, then I'm happy with that deal.

Disappointment

"It didn't need to be this way. That's my disappointment with the thing."

Fulcher resigned in 2014 and quickly moved into conflict resolution, working to reform police forces in places such as Somalia and Libya.

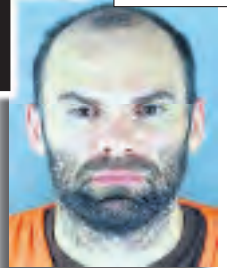

He returned to the public eye in March after throwing his support behind former colleague Mike Rees,

55, who stood as an independent candidate for the role of Police and Crime Commissioner in Wiltshire.

Mr Rees eventually came second in the election, which was won by Tory candidate Philip Wilkinson by 7,000 more votes.

FIZZY POP MADE NUT KILL HIS GRAN

ACCUSED: David Ekers slayed mum, sister and gran (below)

Triple slayer avoids murder trial after energy drinks send him mad

A MAN was declared unfit to stand trial over the murders of his sister, mum and gran, after a court said years of taking fizzy energy drinks had aggravated his mental health.

David Ekers, 36, of Plymouth, Minnesota, was determined unfit to stand trial for the July 2020 attack that killed Eleanor Ekers, 34, Linda Ekers, 63, and Darlene Broste, 86.

Judge Lisa Janzen ruled: "He does not have the ability to participate in his defence with a reasonable degree of understanding or to rationally participate in his defence."

"His psychotic thinking currently results in impaired judgment, reasoning, and decision making."

The judge pointed to a report from Dr Jennifer Harrison that described a "history of a psychotic disorder characterised by hallucinations, delusions, impaired thought processes, and disorganised speech and behaviour."

Dr Harrison also noted that the defendant reported a history of increased caffeine use,

which can exacerbate psychotic symptoms.

The judge noted that there's been evidence dating back years that Ekers's consumption of energy drinks has negatively affected his mental health.

She cited how during a 2018 hospitalisation, his "psychotic symptoms appeared worsened with the ingestion of large amounts of energy drinks".

More recently this year, he told a doctor that he sometimes hears voices "due to poor sleep and the ingestion of energy drinks".

Ekers is accused of attacking three family members with a pipe wrench as he believed they wanted him to go to the hospital or take his medication.

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Greta gets an easy ride from 'our' BBC

"SOMETIMES," perma-frowned Greta Thunberg scowled, "you need to anger some people."

And Andrew Marr, one of the BBC's last remaining half-decent interviewers, just let it go.

It was Sunday morning and all the boring political TV shows were talking about the climate conference in Glasgow.

A procession of trite interviewees lined up to spout rubbish, and the broadcasters, Sky and ITV were just as bad, allowed them to say whatever they wanted without challenge.

But it was the Marr interview, and the fact it was on the BBC, that really irked.

About two weeks ago that very same organisation was jerking itself off into a frenzy because one of its other nerds had a pop, live on air, at the prime minister.

"Prime Minister," said Nick Robinson of BBC Radio 4's *Today* programme, which almost everyone everywhere doesn't listen to, "you are going to pause."

Bellicose

Then, because Boris was being Boris and being a bit bellicose, he added: "Prime Minister, stop talking, we are going to have questions and answers, not where you merely talk, if you wouldn't mind."

Fighting talk, innit?

Which is absolutely fine by me if it's applied in all cases.

Like Greta, for instance, batting away the idea that the halfwits she "inspires" aren't doing anything bad just because it annoys a few people.

How does that argument work, exactly?

And why didn't Andrew Marr ask the question?

When the BBC wants to promote something, which is everything

"progressive", constantly, we never hear the end of it.

EastEnders? Absolutely no-one in the east end of London would ever recognise Albert Square.

Strictly has lost the average viewer's plot.

And a panellist who for all her loveliness and comedic talent really isn't ideal for *Question Time* on the grounds that many viewers struggle to understand a word she's saying.

This is not being cruel, or nasty. Just accurate.

But there's nothing from Our Nick or Our Andrew about these subjects, because these are Our BBC-approved subjects.

Things we must be subjected to and are never allowed to complain about.

Because to do so would make us Very Bad People.

Stuff like Hateful Brexit, Galloping Climate Change, Chicks With Dicks, Doctors Staying Off Work, Nasty Police, Skint NHS... all BBC approved subjects.

If you don't like the licence fee, or the BBC, or Greta, or fairly questionable science, or GPs taking the piss, or largely great cops getting stick because of a couple of genuinely bad ones, then no, it's not approved by the little Pravda-lite wonks in Broadcasting House.

So let's go back to not-so-great Greta, the only 18-year-old the BBC will ever listen to unless they are diverse, put-upon, mentally ill, and want a free car.

"Sometimes you need to anger some people," she had declared, smarmily.

Yes, luv.

But has it ever occurred to you that you might be angering some people in completely the wrong way?

And yet again, why did almost £400,000-a-year Andrew Marr not ask her the same question?!

Naked man asked kids in for treats

A NONCE was nicked after he answered his front door NAKED and invited trick-or-treating children inside.

Steven Kelley Little, 48 (above), has been charged with several counts of lewdness, while on probation for similar offences, after kids approached his house in Provo, Utah, on Halloween.

Little answered the door in the nuddy and was "beckoning children inside," said Provo police master officer Austin Williams.

The children told their parents, who were across the street, what had happened, so the father then approached the door with his daughter and knocked on.

"He opened the door again nude," Williams said, before the father then called the cops.

When questioned about why he answered the door with no clothes on, Little said he'd just got out of the shower.

And when cops asked why he asked the kids inside, he said "that's where the candy was".

Fact me!

MORE than 90% of public baby changing tables tested in the UK carried traces of cocaine.

Tramp finds body parts at supermarket

A PENSIONER has been arrested on suspicion of murdering his partner and dumping her dismembered body in a wheelie bin outside a supermarket.

A homeless person in the holiday town of Torrevieja, on Spain's Costa Blanca, found two legs and an arm in the bin while looking for food.

The suspect, an expat in his 70s from Finland, was arrested just a few hours later after cops checked CCTV footage of the area and identified the person they believe had dumped the human remains.

His home was then searched, where local reports claim police found more human remains.

The murder victim has been described as a 68-year-old woman who is also from Finland and had been living with the suspect since February.

SCHOOL MUM BANNED OVER X-RATED LESBIAN PICS

SUING FOR DAMAGES: Blonde mother Victoria Triece (below) posts saucy photos (above and right) on OnlyFans

Parents grass on volunteer over porn website images

A MOTHER who was banned from volunteering at her sons' primary school for having an X-rated OnlyFans account is suing education bosses.

Victoria Triece, 30, was axed from a school volunteer programme after her presence on the adult subscription site was revealed by a poison pen letter.

Photos and videos of Victoria show her in underwear and embracing another scantily-clad woman on a bed.

However, she insists that she never behaved inappropriately while she worked at Sand Lake Elementary School in Orlando, Florida, which her sons aged five and 10 attend.

The sex worker had assisted in organising class parties and helped with lab assignments for her older son's class, something she said she wanted to do ever since she became a mum.

"It affected a parent who went and paid to see my content, but then they had to go send in these photos of me to the school and make me not be allowed to be around kids any more, which I've done and dedicated my life to for pretty much five years," Ms Triece said.

"I don't know who was told what I do. And now I'm supposed to walk into the building and I don't know what was said to my son's teacher."

"I don't know what's been said about me to anyone at that school."

Ms Triece created her OnlyFans page more than two years before

By **SUZIE SHELDON**
news@sundaysport.co.uk

the news came to light, and had even promoted the page on her public Twitter account, which was created back in 2016.

Speaking of why she wanted to volunteer, Ms Triece added: "I always wanted to be involved in that aspect of life. My mother did it for me and having her there was the best joy growing up."

Meanwhile, Michael Ollendorff, a spokesman for Orange County Public Schools, refused to comment on the matter over "potential, pending or ongoing litigation", while citing several guideline documents for volunteers.

However, none of the documents that Mr Ollendorff cited state what volunteers can do off-campus.

Ms Triece explained that she never dressed inappropriately while she was volunteering at the school and that some parents have contacted her since her dismissal, to show their support.

She is now seeking \$1 million in damages from the Orange County school district.

Rihanna's a de-light!

STUNNING Rihanna brought a little light to these dark November nights, by fanning about with some fancy chandeliers while in her panties.

The singer, 33, posed in purple underwear to promote the new festive range of ladies' drawers from her Savage X Fenty collection.

A fan said: "If I got my nudger anywhere near Rihanna, I'd swing from the chandeliers with delight!"

THE WORLD FAMOUS AGONY Page

Dear Bexie,

DURING a heavy night on the ale I managed to pull what I thought, in my drunken haze, was a gorgeous woman.

She took me back to her place and soon got to work on my cock. Starting at the base, she licked and sucked me expertly and tickled the tip of my knob with her tongue.

By then we had progressed to the bedroom where she put her lips round my dick again and I soon exploded in her mouth.

Later I shagged her from behind before we both collapsed in an exhausted, sweaty heap.

When I woke in the morning I had a raging hangover and dashed to the loo to throw up. As I returned to the bedroom I saw the woman I had shagged – she was about 50, with droopy tits, and her false teeth were in a glass by the side of the bed.

I ran for it and it's put me right off sex.

What can I do to regain my enthusiasm?

NF, Lancaster

Bexie says...

AVOID pulling another moose by staying sober.

Dear Bexie,

MY missus used to dress up for me and play the slave to my strict master and obey my orders.

Obviously, I made the most of it and would have her sucking my cock as often as I wanted.

But that's all gone out of the window.

She works as an accountant but I was made redundant a few months ago.

Now she lays down the law.

She made a list of my household duties and a list of sexual services that she demands that I perform to order.

As soon as she walks through the door of an evening, I'm supposed to have a meal on the table.

Then I have to fondle her vagina with my fingers before going to work on her clit with my tongue to bring her to orgasm.

Then, after a nap, she demands oral sex all over again and on top of that a good shafting to boot.

I'm a wreck and in no condition to get a job.

What can I do?

DH, east London

Bexie says...

TELL her there will be no more nookie – and see how long she can last without a good seeing-to.

Cave sex was dark and dirty

Dear Bexie,

I RECENTLY went rambling every weekend, but the fella's left the group. Should I try to get another fella to do me in the bush?

TB, Lake District

Bexie says...

IF it's as much fun as you say, go for it!

Dear Bexie,

I WENT to a party and ended up shagging a blonde in a leather skirt.

It was strictly a one-night stand for both of us but I can't get her out of my head.

HR, Gwent

Bexie says...

GET yourself to a few more parties.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you...

Rugby players gave me a good rucking!

Dear Bexie,

I'M a divorcee and I've just returned from a holiday in Majorca – where I met another lady of a similar age.

She'd been a few times before and I was amazed at how many times she'd made it with younger men.

On our second night we got pretty tipsy in a bar and ended up in the apartment of a couple of rugby players who were on a club jaunt.

My new friend quickly got to grips with the dark-haired one, while I was massaged by his hunky blond mate.

I'd forgotten how wonderful it is to be touched like that by a man.

As he caressed me, my stud assured me that I had a great body.

He tweaked my nipples and they responded by hardening.

Massive

His hand then wandered down to my soaking panties and he slid his fingers gently inside me.

I climaxed almost immediately and as I was still recovering he slipped his massive erection into my pulsating pussy.

I was in a dreamworld as I reached heights of ecstasy I had never enjoyed with my husband.

My blond fella was pumping into me with such force I screamed out.

Dear Bexie,

I WORK behind the bar in a pub and a few weeks ago my boss said he'd pay me £1,000 if he could film us shagging.

I wasn't sure at first but I really needed some extra money, so I agreed.

After work that night, we went back to his flat and he had everything already set up to film our session.

I started off by giving him a blowjob before he pulled out and shot his load over my boobs.

After I'd worked him back to hardness, he f**ked me from behind.

A week later he offered me another grand if I'd sleep with him and two of his mates.

I had a dick in my mouth, arse and fanny at the same time.

The only problem is that I have still not been paid for either session.

But my boss assured me that he would honour our agreement and wrote a cheque for £2,000 – which later bounced!

When I complained to my boss, he just smiled and said if I didn't stop moaning I'd be sacked.

GT, Devon

Bexie says...

FIND a new job.

I'd had my eyes closed, but when I opened them I saw my new-found pal right up close as she was being taken from behind by her fella.

Swept along by the mood of the moment, I reached out and grabbed her breasts as they swung beneath her.

As I rubbed her titties, she lowered herself towards me and I snogged her, vigorously thrusting my tongue inside her mouth to meet hers.

Pounding

I'd never enjoyed such dirty sex.

After our fellas had spent their seeds inside us they took a breather while my pal and I got into the 69 position so that we could lick each other out.

After this we swapped partners and her fella shagged me and the blond hunk did her.

My pussy took a real pounding but I loved every minute of it and had another mind-blowing orgasm.

Once it was over the lads left, leaving me in the arms of my new mate.

But now I'm home I'm worried I might have developed lesbian tendencies.

What do you think?

TR, Birmingham

Bexie says...

YOU'VE just been re-awakened to the real joys of sex.

Lousy brother came to play while I was away

Dear Bexie,

I JUST got back from a six-month holiday touring the world and I'd been looking forward to seeing my hot blonde girlfriend again.

But when we got together it was clear something wasn't right.

Then I got a surprise when my younger brother called to her place for a brew. He seemed very sure of himself around her house.

Then I caught them at it when I got back from the shops one day.

I was walking past the kitchen window to the back door as I saw them.

She was bent over the ironing board as he shafted her from behind and I could hardly believe my eyes as I watched him sliding

in and out of her snatch.

Then she turned round before sinking to her knees and taking his cock in her mouth.

She sucked on him greedily, taking his full length deep into her throat and then she got down on all fours so he could give it to.

She yelled in ecstasy as she climaxed and my brother shot his hot spunk over her arse-cheeks.

I gave them a few minutes to get dressed before walking in, but I didn't reveal that I had seen them.

They pretended that nothing had gone on and I felt insulted.

What can I do?

MY, Sussex

Bexie says...

YOU should just let her go.

'I need an older man to boss me around in bed'

#MY SEX FANTASY

I HAVE a confession ... I love older men!

Much older men!

I'm 24 now and my fellas have to be at least 20 years older than me.

I love a DILF or even a GILF! When other girls at school were swooning over boy bands, I was fantasising about Harrison Ford and Sean Connery.

I never fancied Hugh Grant when he was younger but I so would, now he is over 60.

I love strong, confident men

who tell you what to do, like teachers and doctors.

If they have grey hair, even better... I love a silver fox.

The oldest bloke I've slept with was 58 and that was last year, so he was 35 years my senior!

I have a good relationship with my father so I don't have any 'Daddy issues'.

I just have to bat away the young ones who come on to me... I need a real, older, worldly man who can boss me about in the bedroom please!

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day. Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down on Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

GEMMA MASSEY

ELECTRICIAN Jake Neilson reckons sparks would definitely fly if he got a call-out to juicy Gemma Massey's place.

Jake, 34, has been a spark for 10 years but his dream emergency job would be at Gemma's house in Tamworth, Staffs.

He said: "I've worked in some houses for tattooed hipster babes, but nothing would beat doing a job for Gemma."

"I've dreamed about getting my hands on her 32G knockers and running my lips all over her body art for years."

"But I also fancied her when she first started modelling and looked a bit different. Can you please print me a pic of a younger Gemma?"

MICHELLE CLACK

RETIRED civil servant Jim Jeffries spends his days flicking through the *Sport* hoping to catch a glimpse of his favourite glamour girl, Michelle Clack.

The 72-year-old, from Grimsby, loves to ogle bare-boobed babes in the pages of the *Sport*, but it's Maidstone babe Michelle who is his all-time favourite.

John said: "I've been retired 10 years now and my wife passed away six years ago, so I started to buy the *Sport* to keep my spirits up."

"I spotted Michelle's 36DD boobs a while back and I've not seen her for a while."

"Could you pop in a naughty photo of her, just for me?"

Here you go Jim, enjoy your retirement!

He said: "She's out of this world and those 34D boobs are mind-blowing."

"My pole gets very hard at the sight of her and she's welcome to slide down it. It would be squirting everywhere within minutes though!"

FEISTY Linsey Dawn McKenzie is never one to back down from an argument and can give anyone who crosses her a real mouthful.

But the mega-boobed babe also loves GETTING a mouthful...
Of COCK, that is!

Dribble

The 34DD Croydon beauty said: "I give the deepest deep throat in the world! I can take a willy right down to my breast bone.

"And if we're really going for it, then I'll let his jizz dribble down my chin and onto my big tits.

"I think a woman looks her sexiest when she's got spunk all over her."

TON UP: Jos Buttler

England have semi on after Jos blast

CRICKET:
T20 WORLD CUP

JOS Buttler is in the form of his life as England head for the T20 World Cup semi-finals.

The wicketkeeper hit his first ton in the format as Sri Lanka were brushed aside.

That made it four wins on the spin for the Three Lions. They are almost certain to now make the semi-finals.

Buttler took 67 balls to bring up three figures in a quality innings that pulled England out of the mire.

And he was delighted with the way he kept his head when the Three Lions lost early wickets.

Buttler said: "I think staying patient and keeping my head. I found it really tough early on. I managed to get a really good partnership going with Morgs and we tried to attack the back end."

"We were just trying to get something going, were finding the spin bowlers a bit tricky and thought 120 might be a good score."

"We each tried to take the small side and target that and I really enjoyed batting with Morgs."

Buttler brought up his ton in style with a six from the final ball of the innings.

And that made the milestone all the sweeter.

Buttler said: "I was trying to guess where he was going to bowl to be honest. I was pretty calm."

"But I think at that stage I'd batted for a long time, just staying patient and hoping he will miss."

Skipper Eoin Morgan paid tribute to his big-hitter.

He said: "It was incredible to be at the other end and watch just the ebb and flow, and then just the sheer domination at the end. He really is one of the best in the game, a privilege to play with and great to have in our team."

"A combination of unbelievable skill level and the calm nature in which he goes about it. He combines them along with reading the game, knowing where and when to score. If he gets on top, he punishes you."

ENGLAND TRIO NEEDED A CHANGE OF BOSS

IT'S GLEE LIONS AT THE LANE

Good news for Kane, Winks and Alli

TOTTENHAM'S England stars could have a new lease of life now that Nuno Santo has gone.

The Portuguese was sacked after just 17 games in charge of Spurs.

The 47-year-old won nine and lost seven of his matches with five of the defeats coming in the Premier League.

The final straw was a pathetic home display against Manchester United at the weekend.

Home fans turned on the gaffer, shouting "you don't know what you're doing" when he made his substitutions.

More importantly, the crowd also gave chief executive Daniel Levy lots of stick which may have been the final straw.

Now it looks as though Antonio Conte will be given the transfer budget he demanded when turning down the job last summer. The Ital-

By PAUL THOMAS

ian was close to taking over from Jose Mourinho but walked away after he wasn't given a major war chest.

But it could be a trio of England players who are already at the new White Hart Lane who may benefit most from the manager changing.

Dele Alli and Harry Winks were very much out in the cold under Nuno Santo who didn't even pick them for his Carabao Cup squad.

And Harry Kane has looked a real shadow of his former self thanks in no small part to the negative tactics employed by the ex-Wolves boss.

New gaffer Conte is more than likely to give Winks and Alli a chance, while the England skipper clearly needs a change of approach from the dugout.

That will surely come as the new

manager knows attacking football will get the fans on his side despite his defensive reputation.

Alli looked as though he was part of Nuno's plans in the early days. He was frozen out by Mourinho who questioned his work ethic.

His successor played him in the opening games of the season as a conventional midfielder.

Nightmare

But his run of games came to a halt with the north London derby defeat against Arsenal in September.

Winks has endured a nightmare since Mauricio Pochettino left the club in 2019.

He was a regular for Spurs and England under the Argie gaffer but was quickly bombed out by the Special One.

It seems that Nuno agreed with his countryman as he hasn't been in the squad for weeks. As for Kane, he's

probably on a downer because his move to Man City in the summer was blocked by Levy.

Tottenham's main striker has scored just once in the Premier League this season.

It's not just sulking about City that has been the problem. Nuno's tactics didn't suit Kane who needs service and space around goal.

With Tottenham sitting back, those chances were hard to come by.

You would imagine the new boss will build the side around Kane and fellow hitman Son Heung-min.

Now Conte has been appointed, it will take time to turn the sinking ship around.

That's the view of Jamie Carragher who thinks the problems at Spurs go deeper than just the manager.

The Liverpool legend said: "I would love Conte back in the Premier League."

"I think he was a revelation first

AFTER REAL STRUGGLE UNDER NUNO

IN FROM THE COLD:
Winks and Alli may
get their chance now
Nuno has gone

time around, he is a brilliant character, his personality, I would love to see him back in the Premier League so I hope it does get done."

The new Spurs boss only has 18 months on their initial contract but there is an option to extend if both parties agree.

Carragher is doubtful that Conte could make a big enough impact in less than two seasons.

Success

The former England international thinks it's more of a long-term job than Spurs believe.

Carragher added: "I think a manager is going to need more than 18 months to turn Tottenham around."

"Even though I am a huge admirer of Antonio Conte and how quickly he achieved the success he had with Chelsea and every club he's been to, I think it would be very difficult

to replicate that success in 18 months. He could need another 18 months on top of that to maybe get Tottenham back, maybe up there challenging."

When I say "get Tottenham back", maybe back to where they were under Mauricio Pochettino, where they felt they had a chance of winning trophies and pushing people for the title, Champions League year in, year out.

"I think there is a lot of work to be done so, do I think Conte can turn that around in 18 months?"

"I think it will be difficult for a man of his calibre."

"I think this squad is capable of challenging for the Champions League positions and they are not a million miles away from that right now."

"Tottenham as a club should always aspire to be in that sort of position."

FUMING:
Benitez

Rafa tells his Toffees to get switched on

RAFA Benitez says his Everton players have to be smarter and "stop wasting time" sussing out their opponents.

The Toffees have a habit of going behind in games and went 2-0 down to Wolves on Monday night. They were much improved after those two early goals but couldn't turn the game around.

That made it three defeats on the spin to raise pressure on Benitez who is already becoming a target for the boo-boys.

The Spaniard is fed up of his players taking ages to suss out their opponents — by which time they are often behind in matches.

Benitez said of the Molineux defeat: "Obviously when you lose games you have to be disappointed."

"Then the way we lost in the first half, we didn't do well. The second half was much better, it's something we have to change."

"We were too worried about making mistakes and then in the second half we showed the character that we have and it was a big difference."

Chances

"It's something we have to learn the future and not waste half an hour doing."

"The players realized that they were not doing well and they knew we had to change something."

"Sometimes you expect the manager to change something, but it's the players that are on the pitch so we have to show what we can do."

"In the second half we deserved maybe at least a couple of goals,

MISFIRING: Richarlison

and even in the first half playing badly we had two clear chances."

Everton are still missing Dominic Calvert-Lewin while Richarlison is not at his sharpest.

Despite the recent defeats, Benitez is happy with the way the season has started.

He said: "We have to remember where we started, when you change things and then you miss some players."

"There are things we are trying to improve, and we did it in the beginning, but now with players out we are pushing players that maybe are still not at the right level."

"Once we have all the players available we will be much better."

"With more players available you can make more substitutions, you can change the shape of the team."

"I can see the team improving in a lot of things, but until now I can see we need to get some confidence and the only way is to try to play the same way we did in the second half against Wolves."

VILLA THRILLA FOR GERRARD

STEVEN Gerrard is being linked with Aston Villa — even before boss Dean Smith has been sacked.

The Brummie gaffer is under pressure after a run of poor results. West Ham were 4-1 winners at Villa Park which has turned up the heat.

And former Celtic and England striker Chris Sutton says Rangers chief Gerrard would be an ideal fit for the Midlanders.

He said: "Steven Gerrard would take the Villa job. If he was offered the job, he would."

Smith is under fire thanks to four defeats in a row with 12 goals conceded in that run. He is the new 5/4 favourite with the bookies to be the next Premier League manager sacked.

The Villa boss is staying focused, saying: "All that concerns me is turning performances around and getting results."

ANT BACK TO BASICS

Conte will splash £150m on defenders

ANTONIO Conte will build from the back as Tottenham gaffer.

Spurs are putting their faith in the former Chelsea boss to bring the good times back to White Hart Lane.

It's been a shocking start to the campaign for the Londoners who sit eighth in the table.

With their massive new

By JOHN ANTHONY

stadium needing top-class European football, boss Nuno Espirito Santo was given the boot after just 17 games in charge.

Now Conte has been given an 18-month deal to turn things around.

And he's focused on fixing Tottenham's leaky rear. It looks like the end for the

likes of Eric Dier who has been living up to his name so far this season.

Conte has his eye on a trio of centre-backs from the Italian league.

Juventus stopper Matt De Ligt is top of the list. He also wants AC Milan's big stopper Alessio Romagnoli and Inter Milan central defender Stefan De Vrij.

That will set Spurs back

£150m that Conte has got to blow in the January window.

Chairman Daniel Levy is not used to spending that kind of cash but a big war chest was key to getting the Italian who was first choice when Jose Mourinho left.

He has a track record of success with one Premier League and four Italian titles on his CV.
